

## **Easy Nut Clusters**

Easy Nut Clusters 1, 8 oz. canister SACO Dolci frutta (chocolate or white)

1 bag nuts of choice (we suggest pecans, walnuts, cashews or cocktail peanuts)

Pour Dolci frutta wafers into medium size, microwavable container. Melt Dolci frutta according to package directions. Pour nuts into melted chocolate and stir until nuts are well-coated and evenly distributed in chocolate. Drop by teaspoonful onto waxed paper and allow to harden. Briefly place in refrigerator, if desired, for quicker drying time and greater sheen.
